

Kippax UV – LED Photo Exposure Unit

Kippax LED Exposure Unit has been developed to expose high quality direct and indirect stencil systems using 400nm technology

PRODUCT FEATURES

- Three Models – TT Table Top, FS Free Standing and Vertical Free Standing
- Fast Exposure
- High output LEDs
- 80% saving on power
- Fast vacuum hold down
- Increase in light life
- Less heat
- LED light safety switch
- Easy operation
- Slim design for mounting on drying cabinet

ELECTRICAL REQUIREMENTS: 220/240v Single Phase, 50/60Hz, 8amps

TECHNICAL DATA: All technical information is not binding and is subject to change

Model	Type	Max Screen Size OD	Overall Size
2420-LEDTT	Table Top	610mm x 510mm	970mm x 1060mm
3625-LEDTT	Table Top	915mm x 635mm	1275mm x 1075mm
4631-LEDTT	Table Top	1170mm x 780mm	1530mm x 1220mm
5036-LEDTT	Table Top	1270mm x 915mm	1630mm x 1355mm
5146-LEDTT	Table Top	1296mm x 1169mm	1656mm x 1609mm
